

A Official Notice to NCEPU International Students Outside of China

China is now making a very big progress on prevention Novel Coronavirus Pneumonia epidemic. We are coming to a very critical stage for China to prevent the Novel Coronavirus Pneumonia epidemic. In order to best protect the campus, NCEPU has closed the campus for a long time. All international students returned or went out are not allowed to back to school, we are here to inform you again.

1. All the international students are not allowed to come back to China, Beijing and NCEPU before we issue the official opening notice.
2. You will receive a very serious punishment and be stopped your scholarship if you come back to China, Beijing and NCEPU without permission.
3. The stipend will be postponed for those who already went back home countries until you come back to China, Beijing and NCEPU at the official opening date. You will receive the entire stipend accumulated after you come back.
4. Those regulations are same suitable to those NCEPU international students who lives outside of campus by your own rent.
